Special repairs of the roads and reconstruction of tunnels on some of the roads as detailed in the list attached hereto, are very badly required to be carried out and that the Subject may be placed before the District Fund Board with a view to move the Government to accord sanction to the amount required from Local Fund General.

2. Further I have to inform you that the grant proposed by me for Metalling the Kolar Sompur road, in the Draft Budget for next year has been reduced from ~~Rs 5,000/-~~ to ~~Rs 2,000/-~~. As this reduced grant is quite insufficient, I request

water. Owing to the shortness of rainfall
during the last few years, many of the existing
wells have failed to supply the wants of
the people and in other cases new wells
